Dear,

**Brixham YES Neighbourhood Challenge**

As a panel of independent judges, we have been hugely impressed by the very high standard of entries to the social prize challenge competition, the Brixham YES Neighbourhood Challenge.

We greatly admired all of the 26 projects who completed the challenge, most of whom we met on Sunday at The Edge. A truly inspirational day, celebrating the contribution you are all making to Brixham life, community cohesion, intergenerational understanding and the future of our young people. It's heart warming.

It was a very difficult task to decide which six projects to select to win one of the prizes. Although your project demonstrated great commitment and enthusiasm, we have to inform you that you were not chosen as one of the cash prize winners this time round.

We know you may be disappointed with the result, however, we sincerely hope that you will choose to continue with your project which is clearly of benefit to the community of Brixham as a whole.

Thank you for taking part and for giving your time, energy and love so generously over the past six months. You are a shining example to others in our town.

Yours sincerely,

Bea Meredith
